## Institutions Serve the Community

### FCI Sheridan

On January 19, the City of Sheridan requested assistance from FCI Sheridan to help prevent flooding damage as the Yamhill River’s water level rose. Camp inmates filled 2,600 sandbags (using 40 tons of sand); the sandbags were then used at locations throughout Sheridan. As flood levels continued to rise the next day, inmates filled another 650 sandbags. When the flood waters began to recede, unused sandbags were stored for use during future emergencies. Sheridan officials and residents expressed their appreciation for the assistance provided by FCI Sheridan.
